

ILMUNC India

THE IVY LEAGUE MODEL UNITED NATIONS CONFERENCE 2015

May 11, 2015

Respected Sir/Ma'am,

It is our pleasure to invite you to The Ivy League Model United Nations Conference India co-hosted by the International Affairs Association of the University of Pennsylvania, and MUN Cafe- A Brand of Worldview Education. The University of Pennsylvania is an Ivy League Institution and the oldest University in the United States. It is home to the number one ranked Wharton School of Business amongst other award winning schools. The Ivy League Model United Nations Conference is one of the most reputed high school conferences in the United States bringing together over 3000 delegates from across the globe and is a unique academic, social and cultural experience.

Operations

Hannah White
Under-Secretary-General
Administration

We are excited to bring this experience to India this year in what will be one of the largest and most enriching Model United Nations symposiums. This year's conference will take place from November 26th to November 29th at the Kempinski Ambience Hotel, New Delhi. ILMUNC India will bring together over 1000 delegates in 8 distinct committees.

We are pleased to announce our association with MUN Cafe for ILMUNC India this year. MUN Cafe brings with it years of experience in facilitating high quality Model UN experiences through its various international programs, training modules and conferences. Together, we've envisioned a conference that will provide an enriching experience for our delegates that will better them professionally and personally. This will be facilitated through numerous colleges and career fairs, personal mentoring sessions with current students and alumni, keynote speeches from prominent members of society and, of course, enthralling social events.

A large part of what makes ILMUNC India so incredible is the commitment of its amazing staff. These leaders flying in from the University of Pennsylvania have a diverse range of majors, interests, classes, and schools – from Finance to Computer Science and will act as mentors to all our delegates. At ILMUNC we believe in providing a complete professional experience.

The ILMUNC India team is continuously searching for ways to make the conference more engaging for our delegates. We are proud to announce technological advancement in the MUN circuit including a groundbreaking mobile application. We are also proud to announce the concept of dynamic background guides as a supplement to traditional research material. These guides will allow constant access and interaction for our delegates ensuring that they have the best possible understanding of the topics being discussed.

Our delegates are the most integral part of our story and we'd like to once again thank you for choosing to be a part of the next chapter of ILMUNC India 2015. We are certain that you will walk away from this conference with memories that you will cherish for a long time to come. If you have any questions, concerns, or comments between now and the conference, we encourage you to reach out to us at info@ilmunc-india.com. We cannot wait to host you and your school in Delhi this November!

Warm Regards,

Santosh Vallabhaneni
Secretary-General
